

# **BND2010 school**

## **Tuesday, 7 September 2010**

**Quantum chromo dynamics, including an introduction to quantum field theory (09:00 - 10:45)**

**Quantum chromo dynamics, including an introduction to quantum field theory (17:15 - 18:00)**

# Wednesday, 8 September 2010

Quantum chromo dynamics, including an introduction to quantum field theory (09:00 - 10:45)

Quantum chromo dynamics, including an introduction to quantum field theory (17:15 - 18:00)

-Conveners: Darren Forde

Quantum chromo dynamics, including an introduction to quantum field theory (20:00 - 20:45)

# Thursday, 9 September 2010

**Quantum chromo dynamics, including an introduction to quantum field theory (09:00 - 10:45)**

# Friday, 10 September 2010

**Quantum chromo dynamics, including an introduction to quantum field theory (09:00 - 10:45)**

**Quantum chromo dynamics, including an introduction to quantum field theory (17:15 - 18:00)**

**-Conveners: Darren Forde**

# Saturday, 11 September 2010

**Quantum chromo dynamics, including an introduction to quantum field theory (09:00 - 10:45)**

**Quantum chromo dynamics, including an introduction to quantum field theory (17:15 - 18:00)**

**-Conveners: Darren Forde**
